CHAIRMAN'S REPORT

I can't believe that the Championships are now over and we are heading towards the Autumn with HOYS on its way. We have some outstanding individual successes from some of our members this year, notably Alex Bates riding Muskerry Blue Danube her Roan Welsh Section B, who was Heritage Champion at RIHS and stood Reserve, Reserve Supreme on the Sunday. Well done Alex!

Don't forget to send your points to Rosemary Hilton and remember to put the date of 17th January on your New years calendar for our special lunch and presentation at Rockingham Castle(by very kind permission of the Saunders Watson family.)

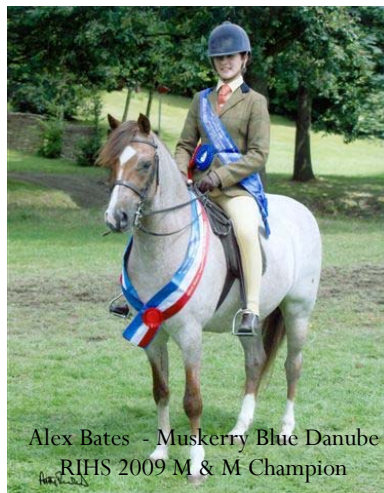

I know that a number of our members have qualified for HOYS so good luck to all of you, meanwhile I look forward to seeing you all at our Winter show on the 29th Oct!

Best wishes Dawn Christie

One of our very important "Get Togethers" is our Area AGM and Points Party. This is where you as members can voice your opinion and make suggestions for the improvement of this YOUR area. If you are a new member and need points explaining then please telephone Annabelle Beaty Tel: 01536 330430 or Rosemary Hilton Tel: 01778 560106 who will be happy to explain.

Area points.

All points need to be completed and sent to Rosemary Hilton, Red House Farm, Baston Fen, Peterborough, PE6 9PT before 30th October 2009 in order for her to order rosettes. EVERY area member who sends in their points will receive an award. A special award is also awarded to new members with the highest points. This year the committee have decided to award two £100 bursaries for tuition. This will be divided into 12 and under and over 12.

To win this bursary you have to send a letter hand written by yourself telling us what you have done (pony wise!) in the past and a little about yourself.

What you are currently competing in (and about your pony) and what you hope to achieve in the future. Please state your name and age on the letter.

Please send to Dawn Christie, Area Chairman, Hall Farm Cottage, Main Street, Shangton, Leicester, LE8 0PG.
